

SAIFEE
INDUSTRIES

Polished to Perfection, Shine that Lasts

COMPANY PROFILE

VISION

To be recognized by the customers worldwide
for quality, service and ability to address
complex requirements.

MISSION

We offer innovative solutions
to address complex needs of our customers
by leveraging our experience, deep knowledge of coating,
quality systems and service orientation.

LEADERSHIP AT SAIFEE INDUSTRIES

SHABBIR BOOTWALA

Chairman

He followed in the footsteps of his elder brother, Moiz Bootwala, and moved from Mumbai to Pune in 1989. In the early years, he worked alongside his brother, gaining hands-on experience and deep insight into the electroplating industry. With the guidance and mentorship of Moiz Bootwala, he established Saifee Industries in 1993, with a specialized focus on nickel plating.

AZIZ BOOTWALA

CEO

Aziz Bootwala is the visionary force behind Saifee Industries, known for driving innovation and championing eco-friendly practices. He joined the company in 1995, bringing with him a forward-thinking approach that transformed the business. Under his leadership, Saifee Industries expanded its service offerings to include SS Electropolishing, Passivation, Electroless Nickel Plating, Copper-Nickel Plating, Anodizing, and Buffing Processes. Furthering his commitment to advanced technologies, he also collaborated with the Hylite Group of Industries to establish a new facility dedicated to PVD Coatings.

EBRAHIMM BOOTWALA

Director of Operations

Ebrahimm brings his Silicon Valley experience to Saifee Industries, where he leads system implementation, streamlines operations, and drives innovation. He also focuses on business development and harnesses process data to support AI and Machine Learning integration. He holds an MS in Industrial & Systems Engineering from California State University, San Jose, and has four years of experience as a Business Intelligence Analyst at Edelman Financial Engines.

LEADERSHIP AT SAIFEE INDUSTRIES

MUNIRA BOOTWALA

Director of Operations

Munira joined Saiffee Industries in 2020, taking charge of talent acquisition and human resources. She played a key role in supporting Ebrahimm with the implementation and optimization of new systems, ensuring a seamless and efficient operational experience.

ARWA BOOTWALA

Head of Compliance & Legality

Arwa plays a key role at Saiffee Industries by providing comprehensive legal counsel, including contract review, regulatory compliance, and government law consultation. Her expertise ensures the company operates within legal frameworks and stays up-to-date with evolving policies and regulations.

PILLARS OF WISDOM

LATE MOIZ BOOTWALA

Saifee's success is rooted in the legacy of the late Moiz Bootwala, who founded Burhani Industries in 1979. After moving from Mumbai to Pune, he established a zinc electroplating business in MIDC, Bhosari, and built a strong network of clients and suppliers—laying a lasting foundation for the company's growth.

YUNUS BOOTWALA

Yunus provides strategic direction and ensures the alignment of Saifee vision with long term growth opportunities.

QASIM SANCHAWALA

Qasim ensures financial stability through meticulous planning, compliance, and effective resource management.

ADVISORY BOARD MEMBERS

AIRA CONSULTING

AIRA Consulting is guiding us toward the next stage of growth, scalability, and profitability. They are helping us identify winning strategies that unlock new opportunities for expansion. As part of the implementation, they are closely supporting our operational teams—not only in executing these strategies but also in enhancing the overall efficiency of our processes.

OUR PROMISE TO THOSE WHO MATTER MOST

◆ CUSTOMER COMMITMENT

Our customers are at the heart of everything we do.

We are dedicated to exceeding their expectations by delivering authentic, high-quality reports, obtaining relevant certifications, and aligning with their systems and standards.

Our internal processes are designed for consistency, ensuring we deliver on time, every time. With our deep process expertise and rich experience, we aim to be our customers' first choice for solving complex challenges—trusted partners they can always rely on.

◆ EMPLOYEE COMMITMENT

Our employees are our greatest strength.

We believe the growth of our organization is deeply tied to the growth of every individual within it.

We are committed to creating a professional, transparent, safe, and secure environment—one that encourages innovation, nurtures talent, and supports continuous personal and professional development.

◆ VENDOR & SUPPLIER PARTNERSHIP

Our vendors and suppliers are not external partners—they are an integral part of the value we deliver to our customers. We are committed to building long-term, collaborative relationships grounded in fairness, transparent communication, and mutual trust.

Together, we aim to uphold the highest standards and deliver excellence consistently.

◆ INVESTOR COMMITMENT

We are committed to sustainable and profitable growth.

This will be driven by continuous customer acquisition, professional management, prudent financial decision-making, and ongoing process improvement—all while maintaining the highest standards of corporate governance and integrity.

SERVICES

BRIGHT NICKEL PLATING & NICKEL CHROME PLATING

High-performance coatings for corrosion resistance and aesthetic appeal.

ELECTROLESS NICKEL PLATING

Uniform coating thickness for complex shapes.

COPPER NICKEL PLATING

Enhancing conductivity for electrical and electronic applications.

SS ELECTROPOLISHING

Creating smooth, clean, and passivated stainless steel surfaces.

SS PASSIVATION

Restoring the appearance of dull and dark stainless steel surfaces.

ANODIZING

Converting aluminium product surfaces into a decorative finish.

PHYSICAL VAPOR DEPOSITION (PVD)

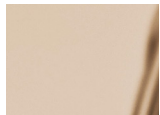

PVD Brilliance, Lasting Elegance.

OUR FINISHED PRODUCTS

LAYERS OF STRENGTH, FINISHED TO PERFECTION - SAIFEE COATING SOLUTIONS

BROAD INDUSTRY REACH

From infrastructure and automotive to marine and electronics, we provide coating solutions tailored to diverse industrial needs.

PROVEN TRACK RECORD

Trusted by industry leaders for decades, we combine experience with innovation for flawless results.

STRINGENT QUALITY CONTROL

Every product undergoes rigorous testing to meet and exceed global standards.

LAYERS OF STRENGTH, FINISHED TO PERFECTION - SAIFEE COATING SOLUTIONS

TURNKEY SOLUTIONS

From consultation to execution, Saiffee is your one stop destination for all coating needs.

ECO- FRIENDLY PRACTICES

Committed to sustainable coating processes that minimizes waste and environmental impact.

PRECISION AT SCALE

State of the art facilities of handling components of various size, from intricate parts to complex structures.

CUSTOM FINISH OPTIONS

Offering tailored coatings that match the aesthetic and functional demands of your project.

TAILORED SOLUTIONS FOR EVERY SECTOR

CADMIUM PLATING

SAIFEE SHIELD OF EXCELLENCE

ECO- FRIENDLY TECHNOLOGY

Free from heavy metals and toxic chemicals, aligning with global environment standards.

HYDROGEN EMBRITTLEMENT

Non- electrolytic process prevents hydrogen embrittlement, ideal for high-strength steel parts.

AESTHETIC EXCELLENCE

Provides a smooth, shiny finish for components that look as great as they perform.

PROVEN DURABILITY

Saifee's coatings offer long – lasting performance, reducing maintenance and replacement costs.

GLOBAL STANDARD QUALITY

Rigorous quality control ensures our coatings meet and exceed international benchmarks.
